1. Introduction

We at Mom's Kitchen ("we," "our," or "us") are committed to protecting your privacy and the privacy of your children. This Privacy Policy explains how we collect, use, disclose, and protect information when you use our mobile application Mom's Kitchen (the "App"), which provides AI-powered meal recommendations and nutrition tracking for children.

By using this App, you agree to the collection and use of information in accordance with this policy. If you do not agree to this policy, please do not use the App.

2. Information We Collect

2.1 Information You Provide Directly

Account Information: When you register, we collect your email address, phone number, and password.

Child Profile Data: We collect information about your children, including: name, age range, weight, height, dietary preferences (e.g., vegetarian, vegan, halal, gluten-free), food allergies and intolerances, health goals (e.g., balanced nutrition, weight gain, brain boost), and growth logs over time.

Meal Preferences: Cuisine preferences, available ingredients, meal types, and meal history.

2.2 Information Collected Automatically

Usage Data: How you interact with the App, which features you use, session duration, and error logs.

Device Information: Device type, operating system version, and app version.

AI Generation Logs: Records of meal generation requests (anonymized input parameters and cache status) for rate limiting and service improvement.

2.3 Information We Do NOT Collect

We do not collect: precise GPS location, contacts, camera images, microphone audio, or payment card details (payments are processed by Google Play and subject to Google's privacy policy).

3. Parental Consent & Children's Data

This App is designed for parents and guardians to manage their children's nutrition. We treat all child-related data with the highest level of care.

3.1 Parental Consent Requirement

If your child is under 13 years of age (under 18 in jurisdictions requiring it), you must provide verifiable parental consent before creating a child profile. By creating a child profile, you confirm that you are the parent or legal guardian of the child and you consent to the collection and processing of the child's data as described in this policy.

3.2 Child Data Protection

Child health data (weight, height, growth logs) is stored with restricted access and is not shared with third parties for advertising or marketing purposes.

Child names are used only within the App for personalization and are NOT transmitted to external services.

Child data is retained only for as long as your account is active. Upon account deletion, all child data is permanently erased within 30 days.

3.3 COPPA Compliance (US Users)

For users in the United States: We comply with the Children's Online Privacy Protection Act (COPPA). We do not knowingly collect personal information from children under 13 without verifiable parental consent. If you believe we have inadvertently collected such information, contact us at privacy@momskitchen.app and we will delete it promptly.

3.4 DPDP Act 2023 Compliance (Indian Users)

For users in India: We comply with the Digital Personal Data Protection Act 2023. You have the right to access, correct, and erase your personal data. For children's data, consent is obtained from the parent/guardian as the Data Fiduciary.

4. How We Use Your Information

We use the information we collect to:

- Provide AI-powered meal recommendations personalized to your child's age, diet, and health goals
- Generate and display weekly meal plans, hydration tracking, and grocery lists
- Enforce subscription tiers and usage rate limits (free users: limited daily generations)
- Maintain and improve the App's features and performance
- Cache AI-generated meals to improve response speed and reduce costs
- Send meal reminder notifications (only if you have enabled this feature)
- Comply with legal obligations
- Prevent fraud and abuse

We do NOT use your information for: • Targeted advertising or behavioral profiling • Selling data to third parties • Training AI models on your personal child data

5. Information Sharing & Third Parties

We share information only in the following circumstances:

5.1 Service Providers

Supabase (Database & Authentication): Your data is stored on Supabase infrastructure. Supabase is bound by a Data Processing Agreement and complies with GDPR. Data is encrypted at rest and in transit.

Google (Gemini AI): Meal generation requests are processed by Google's Gemini AI. Input parameters (child age range, dietary type, health goal) are sent to Google's API. We do NOT send your child's name or personal identifiers to Google. Google's data processing is governed by Google's privacy policy.

Google Play: Subscription payments are handled by Google Play Billing. We do not store your payment card details.

5.2 Legal Requirements

We may disclose your information if required by law, court order, or government authority.

5.3 Business Transfer

In the event of a merger or acquisition, your data may be transferred as part of the business assets, subject to the same privacy protections.

5.4 What We DO NOT Share

We do not sell, rent, or lease your personal data or child data to any third party for commercial purposes.

6. Data Retention & Deletion

Account Data: Retained while your account is active.

Child Profile Data: Retained while your account is active. Deleted within 30 days of account deletion.

AI Generation Cache: Meal recipes cached by anonymized input parameters are retained for up to 90 days.

Usage Logs: Retained for 12 months for rate limiting and fraud prevention.

Account Deletion: You can delete your account from within the App (Settings > Account > Delete Account). This will permanently erase all your personal data, child profiles, saved meals, and growth logs within 30 days. This action is irreversible.

You may also request data deletion by emailing: privacy@momskitchen.app

7. Data Security

We implement industry-standard security measures:

- All data transmitted between the App and our servers uses TLS 1.3 encryption
- Database access is protected by Row Level Security (RLS) — users can only access their own data
- Passwords are hashed using bcrypt (handled by Supabase Auth)
- API keys are stored server-side only and never exposed in the client application
- Access to production systems is restricted to authorized personnel only

No method of transmission or storage is 100% secure. We will notify you of any data breach affecting your personal data as required by applicable law.

8. Your Rights

Depending on your jurisdiction, you have the following rights:

- Right to Access: Request a copy of all personal data we hold about you
- Right to Correction: Update or correct inaccurate personal data
- Right to Erasure: Request permanent deletion of your data ("right to be forgotten")

Right to Portability: Receive your data in a machine-readable format • Right to Object: Object to processing for direct marketing (we do not conduct direct marketing) • Right to Withdraw Consent: Withdraw consent at any time (this does not affect prior processing)

To exercise any of these rights, contact us at: privacy@momskitchen.app We will respond within 30 days.

9. Cookies & Local Storage

The App uses browser local storage (not cookies) to save your meal form preferences and draft data for a faster experience. This data is stored only on your device and is not transmitted to our servers unless you create an account and sync your data.

We do not use tracking cookies or advertising cookies of any kind.

10. International Transfers

Your data is processed on servers located in [Supabase region, e.g., ap-south-1 (India) or us-east-1]. If data is transferred internationally, we ensure adequate protection is in place (standard contractual clauses or equivalent safeguards as required by applicable law).

11. Changes to This Policy

We may update this Privacy Policy from time to time. We will notify you of significant changes by posting a notice in the App or sending an email to your registered address. Continued use of the App after notification constitutes acceptance of the updated policy.

12. Contact Us
